*Your Gateway to Apo Reef*

## Occidental Mindoro / Philippines

A tranquil home, Apo Reef Club is a partnership between Swiss and Austrian resort managers and diving professionals with a combined experience of some 50 years in the field. We love diving, and we love the Philippines, which we have made our home, and we are eager to share the best of the experience with you. Apo Reef Club was opened in 2007, and is located in Concepcion, San Jose, Mindoro. Sitting on a quiet 5 - hectare property between the sea and the mountains, the resort offers seven spacious and very comfortable air-conditioned bungalows with hot and cold running water, three beachfront singles and two duplex units a few steps behind. One native-style bungalow is also available for a more rustic experience.

The resort has a bar, a fully-stocked restaurant, offering a variety of local and European specialties, and a first-class dive center. Massage service is also available upon request.
